Dining Senior Style, which began in 1974, helps reduce social isolation and promotes health and nourishment among the older population. Dining Senior Style sites offer opportunities for senior citizens to socialize, enjoy games and special activities, and enjoy a hot meal that meets one-third of current recommended dietary allowances. In addition to the two new sites opening this April, there are 25 other sites throughout Macomb County serving seniors. For more information on other site locations, please call (586) 469-5228.

The only requirement to participate is being age 60 or older (spouses of someone age 60 or older are also welcome). The program asks a cost sharing contribution of \$2.00 per meal. All donations are returned back into the program to help provide meals.
